Mabuhay! We are writing you as one of the more active and concerned members of the Filipino and Filipino-American community of the Northeastern United States. It is our great pride to present the 118th Anniversary Commemoration of the Declaration of Philippine Independence in New York on Sunday, June 5th, 2016. An annual tradition we have established in the New York region proudly hailed since 1996 as the largest celebration of Philippine Independence outside of the Philippines. This celebration will be held at the heart of Midtown Manhattan dedicated to a **Grand Parade**, a bustling **Street Fair** and a **Cultural Festival**.

In this regard, we invite you as a PIDCI member organization and/or your friends, families and associates to be one with us in this commemoration by considering the inclusion of your organization's name and/or personal greeting, message or advertisement to contribute towards the fundraising efforts of the **Independence Ball** to be held on **June 10, 2016** for publication of the astounding Commemorative Program.. The memento Program will include materials from the Independence Day Parade, Street Fair and Cultural Festival, along with the commemorative events throughout the year: the Coronation Pageant of Diwa ng Kalayaan, Mrs. Kalayaan and the Grand Marshal Gala.
